Fr. William Meninger, a Trappist monk, prolific author, master retreat leader, and one of three of the principal architects of the Centering Prayer movement, returns to Tallahassee in March of 2017. Fr. Meninger leaves St. Benedict's Monastery in Snowmass, CO only four times a year for special teaching engagements. He will be presenting workshops in Tampa, Flagler Beach, and Phoenix as well.

Spend a weekend On Retreat with Fr. Meninger as he describes this year's retreat, "Further Along the Way with the Great Mystics."

"Day unto day tells the story and night unto night makes known the message." Learn what great mystics have to say to the church today. Fourteenth century men and women, sixteenth century saints and mystics speak the message taken up by twentieth century teachers of wisdom. From Meister Eckhart to Thomas Merton, from Catherine of Siena to Dorothy Day, God's love is lived, taught and handed on to us today.
