

UNITED IN PRAYER DAY

2019 United in Prayer Day

Saturday March 16, 2019

**Celebrating the gifts of the Spiritual Journey:
The gift of Thomas Keating and the gifts of Centering Prayer**

We are in the planning stages of organizing the 27th annual United in Prayer day where Centering Prayer groups across the world unite together to pray as one. COCFL has had groups across the chapter be part of this day last year so

those that want to be together in one room can pray with all those praying across the world. Please let us know if you are planning or would like to plan a group retreat at your earliest convenience.

For detailed information on suggested schedules, free videos, ways to participate as an individual at home go to the national web site:
