VIRTUAL RETREAT

November 12-14, 2020

FROM SEEKER TO SAGE:

Journey to the unknowable

"A common bonding takes place in all who are attracted to the transformation process. Such is the ultimate lineage of all spiritual lineages emerging in the various religious traditions. We are companions in the search, moved by a common perspective and inspiration." Fr. Thomas Keating

This virtual retreat provides an opportunity to come together to reflect upon:

- Our personal spiritual journey: from Awakening, to Seeker, to Servant, to Sage.
- Exploring stages and seasons of the various paths we have traveled
- Our relationship with the Divine Being
- Realization that we have been led every step of the way by a loving, mysterious unknowable God.

Join us as we move through the different stages of spiritual growth from our awakening moments, through our seeking and a gradual restructuring of consciousness.

This retreat will include Centering Prayer in community with fellow retreatants, presentations, interactive experience, small group process and periods of silence and rest in the comfort and safety of your home.

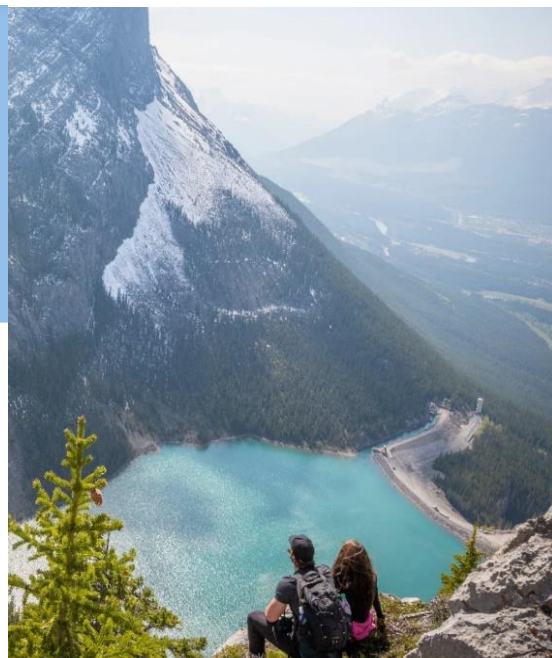

Retreat schedule: (Eastern Standard Time):

- **Thursday/Friday: 10am-12:30pm and 2pm-4:30pm**
- **Saturday: 10am-12:30 pm**

Cost: \$ 45 (or less with scholarship)

See registration and scholarship application form below
