

Listening Intentionally with the Heart

A one day contemplative retreat, facilitated by Father Bill Sheehan

"Let us keep our eyes always fixed on the depths of our heart with an unceasing mindfulness of God." - Diadochus of Photike, The Gnostic Chapters

In this retreat, Father Bill will invite us to enter the inner room of the heart, where true spiritual perception awakens. Through practices such as centering prayer, the welcoming prayer, Lectio Divina, intentional breathing, and forgiveness, we learn to move beyond the ego and cultivate heart perception. This compassionate capacity to listen intently with the heart is essential to living a full human spiritual life and allow God's presence to reveal true reality.

Who Should Attend: Anyone longing to deepen their spiritual life by learning to listen with the heart, and wanting to experience the transformative presence of the Spirit.
